

SPECIFIC PROCUREMENT NOTICE

Invitation for Pre-qualification

Republic of Tajikistan
Guliston – Farkhor – Panj – Dusti Road Reconstruction Project,
Phase I Guliston-Farkhor section
Reconstruction of the Guliston-Farkhor Road Section
Financing No. TJK1011

This invitation for prequalification follows the general procurement notice for this project that appeared on websites IsDB, DG Market, Ministry of Transportation and the State Committee on Investments and State Property Management of the Republic of Tajikistan as well as attached file on UN platforms.

The Government of the Republic of Tajikistan has applied for Finance from the Islamic Development Bank (ISDB) toward the cost of the Guliston – Farkhor – Panj – Dusti Road Reconstruction Project, Phase I Guliston-Farkhor section and it intends to apply part of the proceeds of this financing to payments under the contract for Reconstruction of the Guliston-Farkhor Road section. This contract will be jointly financed by OPEC Fund for International Development. Bidding will be governed by the Islamic Development Bank's eligibility rules and procedures.

The Ministry of Transport Republic of Tajikistan intends to prequalify contractors and/or firms for reconstruction 29.6 km, 4-lane road, 9 bridges, around 10 Km connecting road, well as pave earthworks, drainage, structural works, roadbeds, pavement, rehabilitation of engineering structures and as other ancillary works related to these activities. It is expected that invitations for bid will be made in April 2023.

Qualification requirements contractors and/or firms:

Financial Capabilities

- The Applicant shall demonstrate that it has access to, or has available, liquid assets, unencumbered real assets, lines of credit, and other financial means (independent of any contractual advance payment) sufficient to meet the construction cash flow requirements estimated as USD \$ 3.61 million (three million six hundred ten thousand) for the subject contract(s) net of the Applicants other commitments;
- The Applicant shall also demonstrate, to the satisfaction of the Employer, that it has adequate sources of finance to meet the cash flow requirements on works currently in progress and for future contract commitments;
- The audited balance sheets or, if not required by the laws of the Applicant's country, other financial statements acceptable to the Employer, for the last 5 (five) years shall be submitted and must demonstrate the current soundness of the Applicant's financial position and indicate its prospective long-term profitability;
- Minimum average annual construction turnover of US\$ 21.63 million (twenty-one million six hundred thirty thousand), calculated as total certified payments received for contracts in
